Shorthorn Sale

Added Quality

Is just what you are getting in this offering of these two strong Iowa herds. It was pretty much a natural when P. A. Rasmussen & Sons, Goldfield, Iowa, and Holz Bros., Rippey, Iowa, decided to make a joint sale offering this year. Both have been producing the best of quality in their two large herds as their show and sale records will prove. The Rasmussen's have been concentrating on the Royal Leader, Mercury bloodlines. The Holz Bros., have put their accent on the Goldfinders, with a successful outcross of the "Monarchs", through Killearn Monarch 29th. Both of these crosses have proven successful as the 54 lots offered in this sale will verify.

The Rasmussen offering includes 15 bulls, 6 are sons of the noted Edellyn Royal Leader 29th, 4 are by Edellyn Marine Mercury and his son and 4 are by Royal Charter 43d. The Rasmussen females include 3 cows with calves at foot, 20 bred heifers and 6 open heifers. All of Newallyn Royal Charter, Edellyn Marine Mercury and Edellyn Royal Leader 29th breeding. Nearly half the females will carry the service of the "much talked about" Edellyn Royal Leader 76th.

Holz Bros. sell two sons of Killearn Monarch 29th, sire of the 1950 Denver grand champion female and a half brother to Killearn Monarch 34th, the noted Claude Gallinger herd sire in Canada. They also sell the last son of Double Goldfinder, sire of the International grand champion female, Mary Anne 3d. The Holz female consignment includes an own daughter of the \$7,000 Supreme Goldfinder, two daughters of Killearn Monarch 29th, three daughters of Golden Rule Marksman, outstanding son of Double Goldfinder.

I believe that the breeding and individuality offered in this sale is enough encouragement in itself to urge everyone interested in good Shorthorns to want to be in attendance at the Rasmussen farm on October 25th.

Mervin F. Aegerter, Sale Manager
